## Premium Coffee Selections

### LIGHT

#### BREAKFAST BLEND

This is a blend of South American coffee beans of a light note with good balance and exceptional finish, ideal for your morning cup.

### DARK

#### FRENCH ROAST

This is a blend of African, Central and South American beans is medium dark roasted. This produces a strong full bodied coffee with overpowering taste and aroma. The darker roast brings out its spicey, nutty character.

### MILD

#### DONUT SHOP BLEND

This blend unveils a rich aroma intensified by its fruity notes, it's a smooth coffee with a lively acidity, just like the one you would get at the donut shop – only better!

### EXTRA DARK

#### TURKANA

A dark-roasted blend that combines Colombian, Brazilian & Central American coffees offering a truly distinctive taste with a roast like overtone and delicate earthy undertones.

### MEDIUM

#### COLOMBIANA

One of Colombia's finest estate coffee beans that delivers a well-balanced medium brew that may very likely become your "any-time-of-the-day" cup.

### FLAVOUR

#### TORTELO

A superbly luscious blend of roasted hazelnut, vanilla cream and dark chocolate that can cap off your breakfast, lunch or dinner and will relax and tantalize.

### MEDIUM

#### FAIR TRADE ORGANIC COLOM.

This coffee is grown in full shade on the Marta Mountain. This location is ideal for organic cultivation. It's taste exhibits distinct chocolate notes complimented by a fruity undertone.

### FLAVOUR

#### CAPPULATO

The smooth rich blend of our very best coffee beans with notes of cappuccino and the sweetness of caramel resulting in a peaceful escape from an otherwise busy day.

### BOLD

#### ESPERANTO

An exotic blend of South American, Indonesian and Kenyan beans that has a delectable tangy taste that grabs hold, delivering that rich, bold flavor you crave.

### FLAVOUR

#### FRANZELLA

Laced with the richness of French Vanilla and a smooth yet bold coffee flavor, culminating in a perfect partnership that practically redefines self-indulgence.

### EXTRA BOLD

#### ESPRESSO

A unique blend of coffees made from very best Central, South American & Indonesian coffee beans. This roast has a heavy complex character with just a hint of sweetness.

### DECAF

#### DELANO DECAF

A 100% naturally decaffeinated full-bodied blend of South and Central American coffee beans resulting in a truly enjoyable cup of coffee...day or night.
